MODERNA

collection

European influence, adapted for UK installation. This linear handleless design is now becoming mainstream within Great Britain. Available in a choice of five gloss colours, three super matt colours and three melamine finishes. Gola profiles available in brushed aluminium or matt graphite. Equally as stunning as a single colour/texture or a mix. The **Moderna** collection comes assembled but is also available ready to assemble in our **Moderna Valore** category.

DESIGN NOTES

- Refer to the index and price list pages for width and range content availability.
- Ensure appliance housings are adequately ventilated in accordance with appliance manufacturers specification. Failure to comply will invalidate the appliance manufacturers warranty and could cause health and safety risk.
- Heat deflectors must be used in conjunction with vinyl doors when adjacent to ovens.
- Range cookers & free-standing appliances require a 50mm air gap to allow for circulation and prevent damage to cabinetry/fascia's.
- Cabinets and fascia's are manufactured to a tolerance of +/-1mm.
- Timber is used within some Avalon Kitchen Furniture fascia's. Natural materials vary. In the case of timber, grain will vary in depth and how open/close the grain variation appears.
- Avalon Kitchen Furniture appliance housing apertures are generic to allow for all manufacturers variances of size.
- In the interest of continual product improvement, we reserve the right to amend colours, specification, dimension or manufacturing processes without prior notice.
- Prices are correct at the time of publication, however they may be subject to change.
- Errors and omissions excluded.

GUARANTEE NOTES
